## Instruction on the submission

Author Information	
First name	
Middle name	
Last name	
Academic degree, academic title	
Place of work/study (university, faculty)	
Group number (for KubSAU students)	
Phone	
E-mail	
Conference direction (section)	
Research paper title	
Where do you plan to publish your scientific article? (Please write the name of the collection of scientific articles or journal)	
Do you need a printed version of the collection of articles? (Please write yes or no)*	
Do you need an electronic version of the collection or journal in PDF format? (Please write yes or no)	
Postal address to send a printed copy of the collection*	
Do you need to obtain a certificate of participation? (Please write yes or no)	

\*Only for materials published in the collection of scientific articles, not for journals

A scientific article, information about the author and the Antiplagiat.VUZ system report should be sent by mail: [konf-2021@mail.ru](mailto:konf-2021@mail.ru) (subject line: Surname\_Scientific conference. If there are several authors, surnames are separated by commas).

All scientific articles submitted for publication are tested in the Antiplagiat.VUZ system and peer-reviewed. They will be entered in the RSCI database.

The level of originality of scientific papers:

- published in the collection – not less than 60%;
- published in journals - not less than 70%.

The organizing committee accepts previously unpublished papers and studies on the subject of the conference.

## Requirements for a scientific article (for publication in the conference collection)

A scientific article, information about the author and the Antiplagiat.VUZ system report should be sent by mail: [konf-2021@mail.ru](mailto:konf-2021@mail.ru) (subject line: Surname\_Scientific conference. If there are several authors, surnames are separated by commas).

The submitted materials must contain a problem statement, the solution of which will be contained in the article.

The length of an article is 4-10 A4 pages (font size – 16 pt., Times New Roman; line spacing – 1.0; all margins – 20 mm; full justification; paragraph indentation – 10 mm; automatic hyphenation of words). The style is normal.

The paragraph spacing is not used.

Tables should be designed in Microsoft Word (Tables should be formatted *in portrait orientation*, not on a landscape page. Do not insert tables as pictures!). You should use 12 pt., line spacing – 1.0. Each table must be referred to in the main body of the text.

You should use equation editor for equations.

Figures can only be presented in black and white (not color) using shading (figures is only in portrait orientation).

*Figures in the text of the article should be presented in a grouped form.* There should be links to figures in the article.

The dash and quotation marks must be the same style throughout the text.

References to literature in the text should be presented in square brackets (for example, [4] or [2, p. 15]).

References are numbered manually (not automatically).

Pages should not be numbered.

*Students submit articles only with a supervisor.*

Articles in violation of these requirements will not be accepted for publication.

### When you write an article, you must provide the following information:

- UDC – in capital letters, bold, left alignment, without indentation;

#### further in English:

- title of the article – in capital letters, bold, center alignment, no hyphenation, no indentation, font size – 16 pt., spacing – 1.0;
